

Financial Institution & CII Cyber Drill 2023

BGD e-GOV CIRT is delighted to unveil the Financial Institution and CII Cyber Drill 2023, a significant event tailored for cybersecurity professionals. This initiative underscores our dedication to empowering professionals in the field, providing them with a challenging platform to fortify their capabilities against the ever-evolving landscape of cyber threats. This unique drill is crafted to simulate real-life cybersecurity events and incidents, presenting participants with hands-on challenges that demand the use of specialized skills and tools. Required artifacts and necessary access credentials for the cyber drill will be provided on drill day.

Please note that all the selected participants have to abide by the Rules of Engagement for this drill.

Rules of Engagement

1. Only registered participants of top 30 teams from pre-selection round can join in the final round of the Financial Institution & CII Cyber Drill 2023. Participants **MUST** bring their organization's identity card. **Please note without organizational ID card, participants are not allowed to enter the program.**
2. In this drill, injection means a set of challenges or questions which will be revealed periodically. Each injection will have limited time to submit answer. For each injection, participant have to prepare the answer as a PDF file and submit in the online portal as prescribed file name format: **"InjectionNumber_OrganizationName.pdf"**. A template of sample answer of an injection will be provided during the Cyber Drill day.
3. Any of the members from a team can submit the answers. Please be aware that **each injection has only one submission attempt for a team.**
4. Participants have the freedom to use any tool including those available on the internet.
5. DO NOT upload any malicious content into the submission portal. It will be considered as a punishable offense.
6. All required communications will be conducted through this particular email address (**cyberrange@cirt.gov.bd**). You are requested to allow email communication from this email address for the drill date. We will also use Discord for instant messaging during drill day for general instructions and queries. Please follow the naming convention in Discord channel, otherwise your queries may not be addressed. **Naming convention in discord: "TeamName/OrganizationName_PersonName"**.
7. Any information sharing regarding injection artifacts/hints/answer/write-up or seeking assistance from anyone beyond own team is strictly prohibited.
8. The use of any remote access tool during the Cyber Drill is strictly forbidden.
9. Any attempt of brute force, DDoS or other disruptive action against the Cyber Drill platform will be treated as punishable offense.
10. Submitted answers will be evaluated by organizers and score will be determined after evaluation, which may take time to publish. Any request for re-assessment will not be addressed. Evaluation and score decided by organizer team will be treated as final.
11. Violation of organizer's terms will terminate the player and/or team from the competition.
12. BGD e-GOV CIRT may inspect any system of the participants during Cyber Drill.
13. All rights reserved to BGD e-GOV CIRT for any necessary changes.
